The Women of Distinction candidates are evaluated solely on the contents of the submitted nomination package. An anonymous Selection Committee—composed of Hispanic community leaders and past awardees—will review all materials. Because the committee’s decision is based exclusively on the nomination packet, nominees are strongly encouraged to participate in preparing or reviewing their submission.

The Women of Distinction Awards Luncheon will be held on Friday, September 4, 2026, in Austin, Texas, and attendance is required for all honorees. If you have questions about completing the nomination, feel free to telephone the TAMACC office at (512) 444-5727.

Complete this application clearly and legibly—typed or handwritten—and ensure that each response does not exceed 500 words. You may include supplementary materials such as photographs, news articles, letters of recommendation, or other relevant documents. Be sure to enclose all required items in the submission envelope. A high-resolution electronic professional headshot must be emailed to the TAMACC President at president@tamacc.org. This headshot is the only component of the nomination package accepted electronically. All other materials must be mailed to: TAMACC, Post Office Box 514, Buda, Texas 78610

Nomination packets must be received on or before Wednesday, August 5, 2026. The Selection Committee will convene on Thursday, August 6, 2026.
